

Best Practices 2018-2019

- A prize distribution ceremony was arranged to award the best performing students in the fields of sports, cultural activities and academics. The event was conducted to encourage the students to perform better in various curricular and extra-curricular activities.
- A college magazine titled 'Sukriti' was published with articles contributed from our current and ex-faculty members and also from our current and past students.
- Some departments took initiative to publish wall magazine comprising of small articles, drawing etc. from their respective students and teachers.
- Several remarkable extension activities, like Blood donation camp, pulse polio programme were arranged through NSS.
