

Best Practices 2019-2020

- Career Counseling Cell has taken some major effort to launch value-added training courses and hands-on practices for the students.
- A separate health unit has been established for providing first aid to the student and staff. The unit also aims at organizing various health camps and awareness camps at the college campus and surroundings. A Thalassemia detection camp was organized by the NSS units and Health units of the college.
- Some departments organized Parent-Teacher meetings to discuss the progress and problems of the students and find solutions to academic or behavioral problems.
- Department of Santali celebrated Santali Bhasha Diwas to propagate the language among the local students which is the local language of the nearest area.
- National Science Day was observed by the Science departments of the college to grow up the interest in science among the school students of the nearest schools.
