

NOTICE

15-03-2021

This is to bring to the notice of all third semester students that our college has already issued notice regarding online form fill-up and submission of computer processing fee for the upcoming third semester examinations. On basis of that, two independent lists will be published in our college website on 17-03-2021 by 5 p.m., i) for those who **have submitted the computer processing fee** and ii) for those who have done **the University form fill up** successfully. In this context we would like to mention that the name of a candidate **must appear on both the lists , only then he/she will be eligible to sit for the third semester examination.** In case any student's name does not appear on one list, he/she must do the needful within 18-03-2021.
