

# A One-day International Webinar entitled “Chemistry in Medicines and Diagnostics: A Pandemic Perspective”

Organized by Department of Chemistry on 08-07-2020

Vivekananda Satavarshiki Mahavidyalaya (NAAC Accredited), Jhargram  
(Affiliated to Vidyasagar University, Midnapore, W. B.)  
Department of Chemistry  
Organizes  
A One-day International Webinar  
Chemistry in Medicines and Diagnostics: A Pandemic Perspective  
Date & time : 08-07-2020, 5.30 pm – 8.30 pm

 <p>Prof. Tanmaya Pathak Professor, Department of Chemistry, Indian Institute of Technology, Kharagpur, India Topic: <b>Organic Reactions in Cells and Drug Design in the Context of Corona Pandemic</b></p>	 <p>Dr. Souvik Maiti Scientist, CSIR-Institute of Genomics and Integrative Biology, New Delhi, India Topic: <b>FELUDA: An Universal Nucleic Acid Detection System</b></p>	 <p>Prof. Soumen Paul Professor, Department of Pathology and Laboratory Medicine, University of Kansas Medical Center, Kansas, USA Topic: <b>The Known and Unknown Aspects of Covid-19</b></p>
---	--	---

All are cordially invited to attend the webinar via Google Meet platform. Registration is free. For registration click <http://tinyurl.com/vsmchem>. Link for webinar will be sent to the registered participants via email one day in advance. Registration will be done on first come first serve basis. Participants need to fill up feedback form for getting e-certificates.

Chairperson: Dr. Uma Bhaumik, Principal  
Vivekananda Satavarshiki Mahavidyalaya  
Coordinators: Dr. Mahua D. Ganguly & Prof. Tapas Kr. Das  
Assistant Coordinator: Mr. Subhendu Kar

A One-day International Webinar entitled “Chemistry in Medicines and Diagnostics: A Pandemic Perspective” was organized by the Department of Chemistry on 08-07-2020 via Google Meet web platform. Around 180 participants, including college teachers, scientists and students from all over India participated in the webinar. The details of the speakers and the topic of their lectures were:

**a. Prof. Tanmay Pathak, Professor, Department of Chemistry, Indian Institute of Technology**

Topic: *Organic Reactions in Cells and Drug Design in the Context of Corona Pandemic*

**b. Dr. Souvik Maiti, Scientist, CSIR-Institute of Genomics and Integrative Biology, New Delhi, India**

Topic: *FELUDA: An Universal Nucleic acid Detection System*

**c. Prof. Soumen Paul, Professor, Department of Pathology and Laboratory Medicine, University of Kansas Medical Centre, Kansas, USA**

Topic: *The Known and Unknown Aspects of Covid-19*
